Item 72**PAYMENT OF COMMISSIONS**

Except where prohibited by law, commissions not to exceed five (5) percent of transportation charges may be paid by carriers to persons or corporations not operating as for-hire carriers of used household goods and other articles, as described in and for which rates are provided in this tariff (see EXCEPTION).

EXCEPTION: Carriers shall not pay commissions to a shipper, consignee, nor the employer thereof, or to the payer of the transportation charges.

Unless otherwise provided, references herein to General Orders or item numbers in this or other tariffs include amendments and successive issues of such items or documents.

WEIGHTS AND WEIGHING

4. In instances where more than one weigh-master's certificate or weight ticket has been obtained covering the same shipment, the lowest of the net scale weights shall be used in computing the applicable charges.

5. The carrier, upon request of shipper, owner, or consignee, when made prior to delivery of a shipment and when practicable to do so, will reweigh the shipment. No charge will be made if the difference between the two net scale weights exceeds 100 pounds on shipments weighing 5,000 pounds or less or exceeds two percent of the lower net scale weights on shipments weighing more than 5,000 pounds. The lower of the two net scale weights shall be used for determining applicable charges. If the difference between the two net scale weights is less than stated above, an additional charge of up to \$43.45 may be assessed for each such re-weighing service requested.

6. When requested by shipper, carrier will notify shipper by telephone, telegraph, or fax (as requested) of weight and/or charges.

Item 84
NOTIFICATION TO SHIPPER OF CHARGES

(b) Make it clear to the customer whether carrier is acting on its own authority or as an agent for another carrier.

(c) Not advertise or otherwise represent that carrier operations are conducted at addresses or locations where the carrier or its duly authorized agent does not maintain a place of business. The location of a telephone answering service is not "a place of business" as such term is used in this item.

(d) Not include misleading descriptions or displays of nonexistent facilities or equipment in any advertising.

(e) Not willfully quote or estimate a lower rate or charge knowing the actual rate or charges will be more than the quote or estimate.

9. Carriers shall furnish to each prospective shipper a copy of the information specified in Item 470 of this tariff, the Important Information For Persons Moving Household Goods booklet. The format may be that which the individual carrier finds most convenient. If shipper received, from any source, all information contained in Item 470, in a readable form, this item's requirements will have been met (See Notes 1 and 2).

(a) This informational material shall be furnished to the prospective shipper at time of first in-person contact between carrier's personnel and the shipper or shipper's representative or when the Agreement is given to the shipper.

(b) If a move is arranged and confirmed by mail, the internet, or telephone, and no in-person contact with the prospective shipper is made prior to the day of the move, the carrier shall provide the prospective shipper with a copy of the informational material set forth in Item 465 of the MAX 4 Tariff prior to moving day by e-mail with an electronic copy of the Agreement for Moving Services (Item 450) attached, with consent from the shipper as set forth in Item 475. (c) The carrier performing the move must obtain the shipper's signature on the Agreement for Moving Services (before the move begins) that shipper has received the informational material from the carrier or another source.

(d) All receipts for the information shall be retained in carrier's records for a period of three years and shall include name of shipper, carrier bill of lading number, date and signature of

shipper (See NOTE).

(e) Any carrier performing transportation of goods described in Item 12 who has not complied with paragraph 9 of Item 88, in its entirety, shall pay the shipper \$100 upon completion of the move.

10. Carriers shall follow all applicable rules set forth in Item 10 regarding the use of electronic documents, electronic signatures, and electronic document retention.

NOTE 1: For the purpose of this item, the prospective shipper is the owner of the tendered used household goods, regardless of who pays the freight charges.

NOTE 2: For multiple or repeat shippers, a Master Agreement may be used to cover all moves for that shipper rather than individual agreements for each move. Such Master Agreement must accomplish the purpose of this tariff, not violate the intent of the tariff, and shipping documents must reference the Master Agreement where appropriate.

ITEM 92
CLAIMS FOR LOSS AND DAMAGE

1. Written claims required.

A claim for loss or damage need not be voluntarily paid by a carrier unless filed in writing as provided in paragraph 2 below. The claim must be filed with either the receiving or delivering carrier, or carrier issuing the shipping document, or carrier on whose line the alleged loss or damage occurred. The claim must be filed within the specified time limits established in paragraph 14 and as otherwise required by law, the term of the shipping document or other contract of carriage, and all applicable tariff provisions.

2. Minimum filing requirements.

A written communication from a claimant filed with carrier within the time limits specified in paragraph 14 of this item will be considered in compliance with the provisions for filing claims if it contains the following information:

- (a) facts sufficient to identify the shipment (or shipments) of property involved;
- (b) assertion of liability for alleged loss or damage; and
- (c) claims for payment of a specified or determinable amount of money.

CLAIMS FOR LOSS AND DAMAGE (Continued)****3. Documents not constituting claims.**

Bad-order reports, appraisal reports of damage, notations of shortage or damage, or both, on freight bills, delivery receipts, or inspection reports issued by carriers or their inspection agencies, whether the extent of loss or damage is indicated in dollars or not, may be used to support a written claim filed in accordance with paragraph 2 of this item, but may not be filed in lieu of a written claim.

4. Claims filed for uncertain amounts.

Whenever a claim is presented against a carrier for an uncertain amount, such as \$100 more or less, carrier will determine the condition of the shipment involved at the time of delivery, and will ascertain as nearly as possible the extent of the loss or damage for which it may be responsible. Carrier need not, however, voluntarily pay a claim under such circumstances unless and until a claim in writing for a specified or determinable amount of money has been filed in accordance with the provisions of paragraph 2 of this item.

5. Other claims.

If investigation of a claim reveals that one or more other carriers had been presented with a similar claim on the same shipment, the carrier investigating such claim will communicate with each other carrier and, prior to any agreement entered into between or among them as to the proper disposition of such claim or claims, will notify all claimants of the receipt of conflicting or overlapping claims and will require further substantiation on the part of each claimant of his title to the property involved or his right with respect to such claim.

6. Concealed damage or shortage.

Carrier must be promptly notified after discovery of concealed damage or shortage and be given reasonable opportunity to inspect shipment and packing. Carrier will promptly and thoroughly investigate the claim and will establish a claim file in connection therewith.

7. Supporting documents.

When necessary for an investigation, each claim must be supported by a duplicate shipping document (if not previously surrendered to carrier), and the original paid bill for transportation services or a copy thereof. For each article claimed, the nature and

extent of damage must be identified as well as the basis for amount claimed, i.e., date article purchased, original cost, amount of depreciation, actual cash value at time of loss or damage, and, in the case of damage, repair estimate.

8. Verification of loss.

When an asserted claim for loss of an entire package or an entire shipment cannot be otherwise authenticated upon investigation, carrier will obtain from consignee a certified written statement that the property for which the claim is filed has not been received from any source.

9. Satisfaction of claim.

Carrier may satisfy a claim by repairing or replacing the property lost or damaged with materials of like kind, quality and condition at time of acceptance by carrier.

10. No liability following deliveries.

The carrier shall not be liable for loss or damage occurring after the property has been delivered to or receipted for by the consignee or shipper, or the authorized agent. When the carrier is directed to unload or to deliver property (or render any services) at a place or places at which the consignee or its agent is not present, the property shall be at the risk of the owner after unloading or delivery. Notwithstanding these provisions, no claim against a household goods carrier shall be denied solely because the lost or damaged goods were not noted at the time of delivery.

11. No liability at origin prior to loading.

Where the carrier is directed to load property from (or render any service at) a place or places at which the consignor or its agent is not present, the property shall be at the risk of the owner before packing and loading.

12. "Pairs and Sets" liability.

The carrier's liability regarding sets or matched pieces shall be limited to repair or replacement of the lost or damaged piece(s) only and shall not extend to repair or replacement of the entire set; but in no event exceed the limits of liability as set forth in Item 136 hereof.

Where a claim is not filed or suit is not instituted in accordance with the foregoing provisions, carrier shall not be liable and such claim need not be paid.

15. Acknowledgement and settlement by carrier.

Every carrier receiving a written claim for loss or damage to property transported by it shall acknowledge receipt of such claim in writing to claimant within 30 days after receipt by carrier or carrier's agent. The carrier shall, at the time claim is received, record date of receipt.

Every carrier receiving a written claim for loss or damage to property transported by it shall, in writing, pay, decline to pay, or make a firm compromise settlement offer to claimant within 60 days after receipt of claim by carrier or its agent. If carrier declines to pay or offers a lesser amount than sought, carrier shall, in writing, state the basis for denial or reduction. If for reasons beyond the control of carrier the claim cannot be processed and disposed of within 60 days after receipt, carrier at that time and at the expiration of each succeeding 30-day period while the claim remains pending, shall advise claimant in writing of the status of the claim and reasons for the delay in making final disposition thereof, and shall send a copy of such letter to the California Public Utilities Commission, Consumer Protection and Safety Division, Governor Edmund G. However, if the original claim papers are retained by insurance companies, connecting carriers or other, the carrier's records shall contain copies of all documents and an acknowledgment from the party retaining the claim file that the original papers are in its possession.

17. Salvage.

Whenever property transported by a carrier is damaged or alleged to be damaged and, as a consequence, is not delivered or is rejected or is refused upon tender to the owner, shipper, or consignee, carrier may follow the salvage rules. The carrier must give due notice to the owner and other parties that may have an interest in the property, whenever practicable to do so. After giving notice, carrier, if not advised to the contrary by the interested parties, will undertake to sell or dispose of such property directly or by the employment of a competent salvage agent. Carrier will dispose of the property only in a manner that will fairly and equally protect the best interests of all persons having an interest therein. Carrier will make an itemized record sufficient to identify the property involved so as to be able to correlate it to the shipment or transportation involved, and claim, if any filed thereon. Carrier also will assign to each lot of such property a successive lot number and note that lot number on its record of shipment and claim, if any claim is filed.

Upon receipt of a claim on a shipment on which salvage had been processed in the manner described, carrier will record in its claim file the lot number assigned, the amount of money recovered, if any, for the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.

(c) Render to the person or firm assuming excess liability an invoice payable in seven (7) days for the amount required to settle the claim which exceeds the carrier's liability, plus the charge provided for in this item.

2. The charge for all services described shall not exceed \$83.70 per shipment.

NOTE: Any charges or portions thereof for services of others engaged at the request of the person or firm assuming excess liability, which are over and above the amount for which carrier is liable under its bill of lading, will at the expense of such person or firm and will be in addition to all other rates and charges.

1. 2. Such notification shall be given not less than 24 hours prior to the date or during the period shown on the shipping order, except when the circumstances causing the delay occur at a later time, in which case the notice shall be given as soon as possible but in no event more than 24 hours after the occurrence. This requirement shall not apply when carrier is unable to obtain from shipper an address or telephone number for such notification.

Payment of charges may be made by credit card, which shall be considered to be payment in cash for the purpose of this item (See NOTE).
2. Upon taking sufficient precautions to assure payment of charges, carriers may relinquish possession of freight in advance of payment of charges thereon and may extend credit in the amount of charges to those who undertake to pay them, such persons herein being called debtors.
3. Where a carrier has relinquished possession of freight and collected the amount of charges represented in the freight bill presented by it as the total amount of such charges, and another freight bill for additional charges is thereafter presented to the debtor, the carrier may extend credit in the amount of such additional charges.
4. Freight bills for all transportation and accessorial charges shall be presented to debtors within seven (7) calendar days from the first 12 o'clock midnight following delivery of the freight.
5. Debtors may elect to have their freight bills presented by means of the United States mail, and when the mail service is so used the time of mailing by carrier, as evidenced by postmark, shall be deemed to be the time of presentation of the freight bills.
6. For the purpose of this item, the mailing by debtor of satisfactory means (to carrier) of payment of freight charges, such as valid checks, drafts, or money orders, within the allowed credit period may be deemed to be the collection of charges within the credit period. In case of dispute as to time of mailing, the postmark shall be accepted as showing such time.

NOTE: A household goods carrier holding a valid permit from the Commission has a lien on used household goods and personal effects to secure payment in the amount of the Not To Exceed Price as agreed to in writing by the Consignor in accordance with Items 128 and 130, including the amount of any bona fide Change Order issued under Item 120, for transportation and additional services ordered by the Consignor. No lien attaches to food, medicine, or medical devices, items used to treat or assist an individual with a disability, or items used for the care of a minor child. Upon payment to the carrier of the amount of the Not To Exceed Price, plus the amount of any bona fide Change Order, the lien is extinguished and all household goods and personal effects shall be released to the consignee.

(1) THIS WILL CERTIFY AND ATTEST THAT SHIPPER OR SHIPPER'S REPRESENTATIVE AS SHOWN ON ORDER FOR SERVICE NO. _____ DATED _____ WITH (CARRIER'S NAME) _____ REQUESTS THE ADDITIONAL SERVICES AND CHARGES AS INDICATED ON REVERSE OF THIS FORM.

(2) THE ARTICLES LISTED WILL BE INCLUDED IN THE VALUATION DECLARED IN THE AGREEMENT FOR MOVING SERVICES UNLESS A CHANGE IS REQUESTED.

An original or copy of such document shall be delivered by mail, or other convenient means, to shipper no less than three (3) days before the day of the move. AGREEMENT FOR MOVING SERVICES

paragraph 3. Such document shall be complete in details, including carrier's initial signature binding carrier to the quoted rates. The Not To Exceed Price and carrier's final signature must be added no later than the day of the move, but prior to performing any service in commencement of the move.

NOTE: No less than three (3) days means the Agreement must be in the hands of shipper on the third day before the day of the move. For example, if Saturday is the day of the move, the Agreement must be in the hands of shipper on Wednesday.

EXCEPTION 1: If shipper's first contact with carrier is less than three (3) days before the day of the move, the Agreement may be completed on the day of the move.

EXCEPTION 2: No less than three days before the move begins the carrier must provide the shipper with either a completed Agreement (except for the Not to Exceed Price and final carrier signature) or a blank Agreement (so the shipper who elects to waive advance receipt of the Agreement can still see the other standard terms, conditions, and limitations printed on the Agreement and be informed of what items (e.g., written rate quotation) are being waived). The shipper's signature waiving advance receipt of the Agreement may be obtained on the day of the move, but issuance of a fully completed Agreement on the day of the move before the move begins – including the Not to Exceed Price – can never be waived.

EXCEPTION 3: For multiple or repeat shippers, a Master Agreement may be used to cover all moves for that shipper rather than individual agreements for each move. Such Master Agreement must accomplish the purpose of this tariff, not violate the intent of the tariff, and shipping documents must reference the Master Agreement where appropriate.

2. The Agreement shall be signed by carrier and shipper prior to commencement of performance of any specified service, and the signed original or duplicate delivered to shipper prior to or at time service is begun. Such document shall contain the following information:

- (a) Name, address and T number of carrier or carriers.
- (b) Date move is tendered.
- (c) Date Agreement issued.
- (d) Date and time of pickup requested or other arrangement.
- (e) Names of shippers and consignees.

IF YOU DO NOT AGREE TO THE "NOT TO EXCEED" AMOUNT LISTED OR THE DESCRIPTION OF SERVICES, YOU HAVE THE RIGHT TO REFUSE THE MOVER'S SERVICE AT NO CHARGE TO YOU.

If you request additional or different services at the time of the move, you may be asked to complete a Change Order which will set forth your agreement to pay for additional fees for those newly requested services. If you agree to the additional charges on that Change Order, those charges may be added to the "NOT TO EXCEED" amount set forth above. If you do not agree to the amounts listed in the Change Order, you should not sign it and may refuse the mover's services.

A mover cannot refuse to release your goods once you have paid the "NOT TO EXCEED" amount for the transportation of your goods and personal effects and any additional services that you have agreed to in writing. The "NOT TO EXCEED" amount must be reasonable.

ABOUT THIS BOOKLET

This booklet has been prepared by the California Public Utilities Commission (PUC) to offer guidelines and recommendations for moving and to explain the obligations (regulations) of moving companies in California. The PUC requires this information be provided without charge by household goods carriers to persons planning to move between points in California. The carrier ultimately performing your move must (1) provide this booklet to you at the first in-person contact, (2) mail the booklet to you (time allowing) if the move was arranged and confirmed by mail or telephone and no in-person contact is made prior to the day of the move, or (3) obtain your assurance that you received it from some other source.Ø In any case, you must initial a statement, on the Consumer Protections and/or Waivers section of the Agreement for Moving Services (Agreement), indicating you have received the booklet. If your carrier does not ensure you have this booklet, you are eligible for a \$100 refund from your carrier.

INTRODUCTION

This material is designed to give you the information necessary to ensure a well-planned, uncomplicated move. Throughout this document you will be referred to as "you" or the "shipper." The moving company will be called either the "carrier" or the "mover."

The PUC has rules governing how much the mover can charge you for its services. The specific government rules, regulations and rate limitations for movers within California are provided

in the Public Utilities Commission's Maximum Rate Tariff 4. A copy of Maximum Rate Tariff 4 and all forms and documents used by the mover can be examined at either the mover's place of business or the PUC offices located throughout the State (see attached list). In addition, you may call 1-800-FON-4PUC (1-800-366-4782) for information on the maximum rate program.ø

California moves require much paperwork. You should read all forms and be sure they are completely filled out before you sign. Always get a copy of everything you sign.

If you have a problem about a move within California that you and the carrier cannot resolve, please call the nearest PUC field office or 1-800-FON-4PUC (1-800-366-4782).ø

HOW TO CHOOSE A MOVER

Most licensed moving companies are listed in classified telephone directories, newspapers and other local advertising. When consulting written advertisements, avoid contacting movers whose license number (Cal "T-No."), issued by the CPUC, is not shown. Such carriers are probably not licensed or insured against loss or damage. You may want to ask friends who have recently moved if they can recommend a moving company. Additionally, some realtors may advise you based upon their customers' experience. Carrier associations, business groups, chambers of commerce and consumer organizations may also be a source of information. Once you have the names of possible moving companies, you may call the PUC at 1-800-FON-4PUC (1-800-366-4782) to determine whether the carriers are licensed and insured and whether the PUC has issued informal citations or taken formal legal actions against the carriers.ø You should also get written estimates to compare the prices and services of different moving companies to help you select a carrier.

Be sure to obtain the complete and correct moving company name, T-number (PUC license no.), address and telephone number of the carrier you select to move your belongings, and keep the carrier informed as to how and where you may be reached at all times until the shipment is delivered.

MAXIMUM RATES

All rates and charges are subject to PUC-set maximums. Normally, movers will not exceed these maximums; in fact, most movers charge less. However, there may be circumstances under which a mover must issue you a written estimate of total costs no less than three days prior to moving day, indicate that maximum rates will be exceeded on the move and obtain your consent to the rates to be charged. If these procedures are not followed, the mover may not exceed PUC maximum rates.

MAXIMUM RATE TARIFF 4

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

ESTIMATES AND COSTS

You should request a written estimate from two or more movers so you can compare prices. Written estimates are binding on the mover. All written estimates must be based on a visual inspection of goods and must show total estimated charges. A verbal rate quotation (how much it will cost per 100 pounds, or per hour) is not an estimate. **Remember, verbal estimates are not binding. To avoid problems in the long run, get any total cost estimates in writing!**

In describing your wishes, be as consistent as possible with each mover you talk to; this will make it easier to compare estimates. Be sure to tell the prospective movers about all of the goods you want moved, any special services you require and conditions affecting pick-up and delivery (e.g., stairs, narrow road). It is especially important to tell the movers everything about your new home that may affect your move. This ensures a more accurate estimate of cost, and reduces the chance of misunderstandings and/or unexpected charges on moving day.

A carrier's rates for long-distance moves are based on constructive miles, which are miles accounting for driving conditions. If the move is over 100 constructive miles, it is considered a long-distance move and must be charged on a weight and mileage basis. If your move is 100 constructive miles or less, it is considered a local move and is usually charged by the hour. On local moves that can be completed in a few hours, some carriers may not consider it feasible to visually inspect and give you a written estimate, but will quote you the hourly rate. You should consider contacting other carriers to get a written estimate of the total cost.

In certain circumstances, some carriers may have minimum charges. For example, on hourly moves, a carrier may charge a minimum of four hours even if your move takes only two or three. Similarly, on distance moves, a carrier may charge for a minimum weight of 5,000 pounds. So, even if the total weight of your shipment is 3,000 pounds, you may be charged for 5,000 pounds.

Carriers normally will charge for packing and unpacking services provided. On distance-rated shipments there may be an additional charge for elevators and flights of stairs past the first floor (except in a single family home). If it is impossible for the carrier to park so that the tailgate of his vehicle is within 75 feet of the front door, a long carry charge may apply.

If you add items or request services not included in the estimate, the carrier will provide a Change Order for Services (Change Order) either at the time of pickup or before performing services, and, of course, you pay for these additional services. Make sure the form is filled out before you sign and don't forget to keep a copy. Do not sign a blank Change Order.

The PUC wants to ensure that you know the cost of your move in advance and that you do not pay an excessive price for the move. Before your move begins, the mover must inform you of a Not To Exceed Price for your move and cannot charge you more than that price unless you add items or request additional services not previously included in your Agreement. This

HOUSEHOLD GOODS (within California)

Not To Exceed Price must be written on the Agreement along with any minimums that may apply and specific details of the move.

If you have an estimate, the amount of the estimate is the highest price you can be charged and should be the Not To Exceed Price written on the Agreement. However, any charges on a Change Order will be added, as discussed above.

If you do not have an estimate, the highest price you will pay is the lesser of (1) the Not To Exceed Price, subject to maximum fixed rates, plus any Change Order charges or (2) the charges calculated using the rates quoted in the Agreement.

INVENTORY REPORT

An inventory (or inventory report) is a list of items and their current condition. When the carrier arrives to pick up your goods, you may request an inventory of all articles you want shipped. A complete and specific inventory report is a business-like procedure for you and the carrier. While common for distance moves, an inventory report is not normally prepared for hourly moves. Be aware that if yours is an hourly move you may be charged for the time it takes to prepare the inventory report.

In preparing the inventory list of your furniture and other goods, the carrier will note the condition of each article in a code explained at the top of the form: e.g., "G" for gouged. Make sure you and the carrier agreed about the condition. If you disagree, make your own notation on the inventory list; otherwise, you may have difficulty securing compensation should damage occur.

Similarly, your personal participation is recommended when your goods are delivered. If an item is missing or damaged, tell the carrier and mark it on both the carrier's and your copy of the inventory sheet. Check all cartons carrying china, glassware, and other fragile items for damage before the carrier leaves.

When delivery is complete, you should sign the inventory sheet and delivery receipt, noting any lost or damaged items. This will simplify processing of any future claims. However, failure to do so in no way affects your right to make a claim and to have the claim considered on its merits.

PICKUP AND DELIVERY DATES

If the carrier agrees to pick up your goods on a particular day and/or at a specified time, every effort must be made to meet that commitment. If, for some reason, the time or date cannot be met, the carrier must notify you (or the party you designate) by telephone, telegraph or fax, at the carrier's expense, as soon as it becomes apparent that the pickup will not be at the time promised.

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

If delivery of your goods is delayed, the carrier must notify you at least 24 hours in advance (at carrier's expense by telephone, telegraph or fax), at the address or telephone number you have provided.

For moves weighing 5000 pounds or more and/or transported 75 miles or more, you may request the mover to pick up a shipment on an agreed date and deliver it within an agreed upon span of two consecutive days. If pickup is not made on the agreed upon date and delivery within two (2) days of the agreed date, the carrier must pay you \$100 per day for each and every day of delay. This is in addition to any other claim you make. You must request this service in writing and any claim for failure to deliver on the agreed date must be made in writing within 30 days of delivery (See "How to File a Claim").

Claims for reimbursement for damages because of carrier negligence in failing to pick up or deliver your shipment on the agreed-upon date or period of time specified in the Agreement and shipping order should be handled like any other claim for loss or damage (See "How to File a Claim").

PACKING AND OTHER PREPARATIONS

You may wish to save money by packing some or all of your own household goods; however, you should be aware that in the event of breakage you will have to show damage occurred because of the mover's negligent handling and not your packing. In case there is damage, always save the box, the contents and the packing materials to facilitate claims handling.

Never pack matches, flammables (such as propane tanks) or other dangerous articles (See the last page of this booklet for more examples of things not to include in your move). It's a good idea to empty, defrost and dry refrigerators and freezers. Set aside jewelry, money, vital documents and valuable small items in a safe place, not accessible to anyone entering either your old or your new residence. Do not ship jewelry, money, important papers or other valuable personal articles unless you make written arrangements with the carrier – it is best to carry these items with you.

It's up to you to make such preparations as disconnecting major appliances, providing special services to protect them during the move and removing items attached to walls or floors such as draperies and tacked-down carpets. Some moving companies will provide these services for a fee, or they can suggest firms in the local area to assist you.

AGREEMENT FOR MOVING SERVICES

In addition to other items, the Agreement shows: the carrier's name, PUC license number (T-number), address, and telephone number where you can reach him or her; the address and the telephone number where the carrier can contact you about the move; the location where your goods are being moved; the date of loading or pickup and the preferred date of delivery; a summary description of the move (i.e., a general description of items to be included or excluded and services to be provided); the declared value of your goods; the rates upon which the charges are based and any minimums the carrier may have; and the Not To Exceed Price, which is the highest charge that may be assessed for the various services to be performed, plus any additional charges as requested on a Change Order.

The carrier is required to complete the Agreement (except for the Not To Exceed Price), sign it, and give it to you no less than 3 days before day of the move, unless arrangements to move are made less than 3 days in advance of the moving date or you agree to waive the requirement. This gives you time to review it and ask for an explanation of any unclear items. For example, if you are moving on a Saturday, you should get the Agreement on Wednesday. Before your move begins, the carrier must fill in the Not To Exceed Price on the Agreement, and both you and the carrier must sign it.

WEIGHING YOUR GOODS

When your charges are based on weight, the moving van will be weighed by a certified weighmaster on a certified scale before and after loading. You may observe the actual weighing or you may ask the carrier to notify you of the charges by telephone, telegraph or fax as soon as the goods are weighed. You should request copies of the weight information before and after loading. If you have any reason to question the reported weight, you may ask for a reweigh before delivery.

No extra charge will be made for reweighing IF the difference between the two net scale weights exceeds 100 pounds on shipments weighing 5,000 pounds or less or exceeds two (2) percent of the lower net scale weight on shipments weighing more than 5,000 pounds. The lower of the two net weights must be used in determining the charges. If you request a reweigh and the difference between the weights is not as described above, you may be required to pay for the reweighing.

PROTECTING YOUR GOODS

Already included in the carrier's rates is protection against possible loss or damage at 60 cents per pound per article. You may choose to purchase additional protection and set the value on your belongings for an amount that makes you comfortable. Be sure to check any insurance policies you have before paying for additional protection. If you are unsure, call your insurance agent.

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

The carrier may charge you for the level of protection and the value you place on your goods. **Actual cash value** protection covers the depreciated value of your goods and is determined by such things as the cost of the item new, its age, its condition when received by the mover, and the value you declare. **Full value** protection usually costs more since it will cover the replacement cost of any lost or damaged item. The carrier may opt to replace, reimburse or repair the damaged item, according to the protection level you choose. Remember to declare items of extraordinary value. If you fail to do this the carrier may not be liable for the full value of those items regardless of the level of protection you choose. In addition, your goods are protected while they are stored-in-transit at your request, and your carrier may charge an additional valuation rate for that service. However, if the storage-in-transit is undertaken for the carrier's convenience, you will not be charged for this additional protection.

The agreement includes a section entitled "Consumer Protections and/or Waivers" on which you must declare the value of your shipment and choose a level of protection. If you fail to do so, your goods will be automatically protected for actual cash value up to \$20,000. You may be charged for this protection, at the rate for each \$100 (or fraction thereof) of declared value, as stated on the Agreement. If no valuation charge is stated, the rate is \$0 (zero) per \$100 of declared value. Your protection level choices are explained below.

a. **Basic Coverage** at 60 cents per pound per article ensures recovery at 60 cents multiplied by the weight of the item or the carton it's packed in. Thus, if an item weighing 20 pounds is lost or damaged, you can recover \$12.00 for that item (60 cents x 20 pounds). This is very minimal protection and your goods are probably worth considerably more. This protection is included in the mover's rate.

b. **Actual Cash Value** protection ensures recovery at the actual cash value (i.e., fair market value of your lost or damaged item(s), up to the total value you declare. The carrier may charge for actual cash value protection, and will state the rate on the Agreement.

c. **Full Value** protection ensures recovery at the full value (i.e., replacement value) of your lost or damaged item(s), up to the total value you declare. The carrier may offer deductibles in combination with full value protection. You are responsible for deductibles unless an item is lost by the mover; refer to section on Limitations on the Carrier's Liability. The carrier may charge for full value protection, and will state the rate on the Agreement.

LIABILITY FOR VALUABLES

Items of extraordinary value, such as antiques, art objects, gold or silver articles, etc., should be separately described on the inventory and a value declared for each. Be sure to list the items by description and value on the shipping document. It's best not to ship money, jewelry, important papers or other valuable personal articles. Keep such items out of the reach of others and take them with you.

LIMITATION ON THE CARRIER'S LIABILITY

The carrier is not liable in a claim for loss or damage to articles in the following situations:

- a. change in condition or flavor of perishables;
- b. loss or damage caused by the shipper, including improper packing;
- c. defect or inherent vice of the article, such as susceptibility to atmospheric changes;
- d. insects, moths, vermin, ordinary wear and tear, or gradual deterioration;
- e. mechanical or electrical derangement of musical instruments, electronic components or appliances, if there is no sign of exterior damage;
- f. loss or damage caused as a result of any strike, lockout, labor disturbance, riot, civil commotion, or any act of any person or persons taking part in any such occurrence or disorder;
- g. hostile or warlike action in time of peace or war;
- h. breakage caused by normal handling of china, glassware, bric-a-brac, or other similar items, unless packed by the carrier;
- i. liability of carrier for loss or damage shall be subject to your compliance with the rules for filing claims.

For more information regarding limitations on the carrier's liability, please see General Order 136-C, which you may get from the PUC.

IF YOU HAVE LOSS OR DAMAGE

If your goods are lost or damaged, be sure you describe such loss and damage by making notations on the carrier's shipping order or freight bill. If the driver refuses, you should report this fact and the condition of the articles in writing to the home office of the carrier. Neither of these actions constitute filing a claim, but are made to support a claim to be filed later, as described below.

If you intend to file a claim for loss or damage to your goods, be aware that one of the required documents in support of your claim is a copy of the paid freight bill. This means that before you may file a claim with the carrier for loss of or damage to your goods, you must pay the carrier for all charges due for transportation services. This is because the handling and settlement of a loss or damage claim is a matter separate from the performance of and payment

for the transportation service itself. If you do not pay the transportation charges, the carrier may not honor your claim.

HOW TO FILE A CLAIM

To file a claim you must:

1. write the home office of the carrier and describe the loss or damage;
2. list separately the lost or damaged items;
3. note the exact amount you are claiming for each lost or damaged item;
4. give the date of your move, the origin and destination and the carrier's order number.

If the damage is to packed items, you should retain the box, its contents and the packing materials. This is especially important if you did the packing since you will have to show that bad packing was not the cause of the damage.

Providing copies of documents such as store receipts for the lost or damaged items and professional estimates for repair will speed the processing of your claim.

You should also retain copies of all correspondence with the moving company. In addition, all correspondence addressed to the moving company should be sent by Registered Mail, return receipt requested, to evidence receipt of your claim by the carrier.

Your claim must be filed in writing, within nine (9) months after delivery of the goods or within nine (9) months after a reasonable time for delivery has elapsed. Specific rules are set forth in Maximum Rate Tariff 4. The carrier is required to acknowledge claims in writing within 30 days and must pay, decline to pay or make a firm compromise settlement within 60 days of receipt of your claim. If some reason beyond the carrier's control delays action for a longer time, the carrier is required to notify you in writing within 60 days of receipt of your claim as to its status and the reason for delay (with copy to the PUC) and again every 30 days thereafter until final action is taken. If the carrier fails to respond to your claim within the time limits and in the manner described in this paragraph, you should contact the PUC immediately at 1-800-FON-4PUC (1-800-366-4782). (See Maximum Rate Tariff 4, Item 92 for more information on filing claims.)

The PUC has no authority to compel carriers to settle claims for loss or damage and will not undertake to determine whether the basis for, or the amount of, such claims is proper, nor will it attempt to determine the carrier's liability for such loss or damage. If both you and the carrier consent, the claim may be submitted to an impartial arbitrator for resolution. You may also commence a suit in small claims court or other court of law. If arbitration or civil action result in a decision in your favor and the carrier fails to comply, contact the PUC.

IF YOUR NEW HOME IS NOT READY

If you cannot move into your new home or apartment immediately, you may wish to have your goods moved from your present residence and held in storage for later delivery. For a storage period of 90 days or less, you can request Storage-in-Transit. Separate charges will be assessed for the transportation to your new residence. Storage and handling charges will be assessed for this service and it will be covered by the terms and conditions of your Agreement with the moving company.

If you do not request Storage-in-Transit, or if your storage period exceeds 90 days, your goods will be subject to rates, terms, and conditions set by the local warehouse and the service will be under separate contract with the warehouseman and not regulated by the PUC.

PAYING FOR YOUR MOVE

Most carriers insist that you pay in cash, by money order or certified check; however, you may arrange in advance for the carrier to extend you credit. If the carrier will accept payment by credit card or personal check, be sure this arrangement is noted on the agreement.

A carrier holding a valid permit from the Commission has a lien on your goods to secure payment of the moving charges you agreed to in writing before the move began plus the charge for any additional services you requested on a bona fide Change Order For Services. (The lien does not apply to food, medicine, medical devices, items used to treat or assist an individual with a disability, or items used for the care of a minor child.) Once you pay these authorized charges, the lien is extinguished and the carrier must release all of your goods. If the driver requires payment greater than the authorized charges, you should contact the mover about what may be an overcharge. If the matter cannot be resolved to your satisfaction, call the PUC for assistance at 1-800-FON-4PUC (1-800-366-4782).

ITEM 475*
SHIPPER’S CONSENT TO USE OF ELECTRONIC DOCUMENTS AND ELECTRONIC SIGNATURES

The California Public Utilities Commission (“Commission”), pursuant to Item 10 of the MAX 4 Tariff, requires carriers to provide shippers with this consent form (Item 475) in order to obtain the shipper’s consent to conduct business with the carrier using electronic means in lieu of traditional paper documents. This form advises you (shipper) that the use of electronic documents, including forms, and electronic signatures is optional. The Commission requires that you acknowledge and consent to the use of electronic documents, forms, and electronic signatures in lieu of paper copies. You must agree and sign this form for your consent to be valid. Item 10 of the MAX 4 Tariff provides that you (shipper) have the option and right to withdraw your consent to conduct business with the carrier by electronic means provided you give the carrier written notice of your withdrawal before you sign the Agreement for Moving Services (Item 450). Carriers are prohibited from charging you a fee in the event of such withdrawal. Under Item 10 of the MAX 4 Tariff, you have the right to request paper copies of any and all electronic documents related to your business with the carrier at any time, not to exceed a period of three years from the date the you signed Item 475, and the carrier is required to provide you with paper copies without charge either in person at carrier’s place of business, or through fax or U.S. mail within two (2) business days of your request.
